

Concerning UK Timber Regulation (UKTR) - Supplier Consent Letter

Moelven Industrier ASA hereby confirm commitment to all requirements in the UK Timber Regulation.

We acknowledge the basic requirements of the UK Timber Regulation, namely:

- A. It is prohibited to place illegally harvested timber and products derived from such timber on the market.
- B. Organisations placing timber on the UK market for the first time (operators) must keep records of their suppliers and customers.
- C. Operators are committed to exercise "due diligence" in order to secure traceability for wood based products.

Moelven have access to the following information:

1. Complete overview of products and species (trade name, type of product and common name/ full scientific name of species).
2. Complete overview of country and region of harvest.
3. Complete overview of quantities expressed in volume (m³) bought from each supplier.
4. Complete overview of suppliers' names and addresses.
5. Complete overview of buyers who purchase the timber products.

Moelven are PEFC and FSC certified. Our companies are defined in the following MultiSites:

Certificate Group	PEFC cert. no.	FSC cert. no.
MultiSite Virke (Sweden and Norway)	DNVSE-PEFC-COC-248	DNV-COC-000538
MultiSite Wood	DNVSE-PEFC-COC-253	DNV-COC-000624

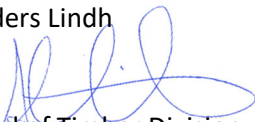

Through PEFC and FSC we are committed to:

6. Ensure that our wood raw material is harvested and traded in compliance with applicable legislation.
7. Keep record of possible prevalence of illegal logging in regions where we buy our wood raw material.
8. Making risk assessments (DDS) by acquiring additional information and documents, or ask for third-party-verified schemes which cover compliance with applicable legislation, if there is any doubt that the risk is not negligible.

Moelven Industrier ASA consent – on request – to allow our customers, or our customers representatives, access to all relevant documentation concerning above mentioned points 1-8.
